No Ball State Programs

Dr. John Merbler, Chair, Ball State Teachers College Department of Special Education, has informed ISD that a survey of 1992 - '93 Ball State program participants revealed that the residential component of the program did not meet their students' needs, the program will not take place and the University will consequently not offer undergraduate or graduate courses at the ISD campus.

ISD Calendar:

With the start of the Sesquicentennial year upon us, it is time to start making plans for a positive and productive year.

In order to be more accurate and timely, ISD will initiate a new format for the school calendar. It will be distributed in installments throughout the school year through the Campus Bulletin.

Your help is needed for the calendar to accurately reflect the events at ISD. Please forward notice of all events to Kathy Smith in the Visitor and Information Center. VIC will coordinate a master calendar for the ISD community.
